### REQUEST FOR RECONSIDERATION

Sir:

This paper is in response to the Office Action mailed April 18, 2003 in the above-identified application for Letters Patent.

Applicants request reconsideration of the application in view of the remarks appearing below herein.

### Remarks

Claims 1 – 53 remain in the application.

1. Claims 1- 3 and 13 - 15 have been rejected under 35 U.S.C. § 102(b) as being anticipated by Japanese Kokai Publication No. H 03-024972 ("JP '972"). In support of the rejection the examiner has asserted that JP '972 teaches a method, and a thermal printer in which the method is practiced, which includes the steps of applicants' method as recited in claims 1, 2 and 3.
